Sir

I have 2 panel pictures of
Cupid's lions &c reputed to be by Rubens
which were left me by my father
Mr. Nugent Bankes, having been bought
by him in Brussels 50 years ago, for
his private collection. As I now live
abroad, & have no house, I wish to
sell the pictures & was advised by
an expert in pictures to offer them
to the Brussels galleries. The pictures
are at present in the care of
Messrs. Hyman Picture experts High St
Orford
& could be sent to you for inspection
should you care to see them. I visited
the Brussels galleries a few weeks

ago I noticed a pair of panels by
Rembrandt which resemble my pictures
without being in any way the same.
~~Should you~~ I shall be at this address
until Sept: 6th & then expect to be in
Brussels for a few days.

Believe me

yours truly
