To Chef Musée Royal  
de Tableaux

My dear sir. -

I neglected ~~to~~  
Saturday to put in  
postage for my  
Reply on the (2) little  
Tableaux - I asked  
for information on.

Will you please  
excuse me.

Very truly yours,

C. F. Blanchard

Bruxelles, le 24 décembre 1926

Monsieur,

Nous regrettons de ne pouvoir vous fournir aucun renseignement : ce petit paysage ( dont nous renvoyons la photographie sous pli, le second exemplaire demeurant dans nos dossiers documentaires ) n'offre en effet aucun caractère suffisant pour être rattaché à une école déterminée. Le mauvais cliché ne permet guère au reste d'en juger.

Agréez, Monsieur, l'assurance de mes sentiments distingués.

Le Conservateur,

à Monsieur C.F. Blanchard

Boulevard du Cimier, 18,

Nice ( Alpes Maritimes ).

Dec. 18 to 1926 -

Chef Conservateur,  
Musée Royal,  
des Beaux Arts.  
Ae Belgique.

My dear sir.

You were so kind in  
1922 to give me the information  
I required - I venture to ask  
you once more for your opinion  
on the enclosed photo's. of tableaux  
& even.

Some say = French -  
some Flemish = and others say  
Italian. I am very anxious  
to fix some on "some school"  
and to "some painter" - if possible

The photos are very bad  
The tableaux are much better than

the photo's. A man who is  
pretty well informed this A. M.  
said they were Louis X<sup>III</sup> & ~~XIV~~ XIV  
as to age.

They are painted on Copper

Any information you may  
give me will be more than appreciated  
and if I can do any thing  
for you in Nice - Call on me -  
Such as to Hotels - prices - etc.  
I Oblige.

Very truly yours,

C. P. Blanchard,
